

COVID-19 Safety Protocols

For Patients

- If you are having any symptoms related to COVID-19 (e.g., fever, cough, shortness of breath, body aches, chills) in the 72 hours before your scheduled appointment, please reschedule your appointment (there will be no cancellation charge).
- Please wear a mask to your appointment.
- I will take your forehead temperature when you arrive. If over 99F we will reschedule your appointment.
- Please complete any paperwork ahead of time and bring it into the office with you.
- Any payments can be made remotely after your visit.
- Please head directly to the treatment room or restroom, if needed. Do not wait in the lobby.
- Wear loose-fitting clothing.

Practitioner/Clinic Protocols

- All providers and staff will wear a face mask.
- We have allocated 30 minutes between patients for cleaning.
- All surfaces will be wiped down with disinfectant after each patient.
- We will use a UV air purifier after every treatment.
